MY DEAR FRIEND

I am in receipt of your kind letter and thank you for the same

The Scale of Scholarships you propose for the widow pupils in the Province is excellent The time has come for extending the benefits of the D C B Fund to the whole Province 12 is a good number to start with The only condition on which scholarships should be granted is that the *Deputy Inspect rs* of the circles and not the Headmasters of the Schools should send you every month a progress report of the pupils in their circles and before the scholarships are granted the parent or guardian of each pupil must send to the Circle Inspector an agreement that he would take proper care of her and create conveniences for her to study up to the Lower Secondary Standard

MY DEAR SIR

Many thanks for your letter of yesterday In the hurry of starting to this place I have forgotten to return the book with the letter I have asked my son in law to return the same to you

I agree to your proposal of devoting quarter of the income to such of the deserving widows who seek help in other centres of the Province

MY DEAR SIR

I received your letter of the 20th ultimo and thank you very much for the same I entirely concur with you in your opinion that time has come to extend our scholarships to child widows under education all over the Province The scale of scholarships proposed appears also to be quite appropriate As suggested by Mr Malhari Rao some provision has to be made to supervise the progress made by the pupils

I am yours very sincerely

MY DEAR SIR

Many thanks for your kind letter of the 6th instant and the information it conveys regarding our annual report to the Government

It is a matter for congratulation that there are so many as ten mofussil applicants for scholarships and there may be many more in course of time

There seems to be no objection to encourage the widow pupils of the mofussil within the limits of our fund and I would say that none of the deserving widow pupils seeking help should go without it if our funds permitted

The scale of scholarships proposed is good I have returned the enclosures

Yours very sincerely
